Self-Assessment While Working at Home

Complete the Self-Assessment on your phone and get customized suggestions to help you be more comfortable while working at home.

How will this help you?

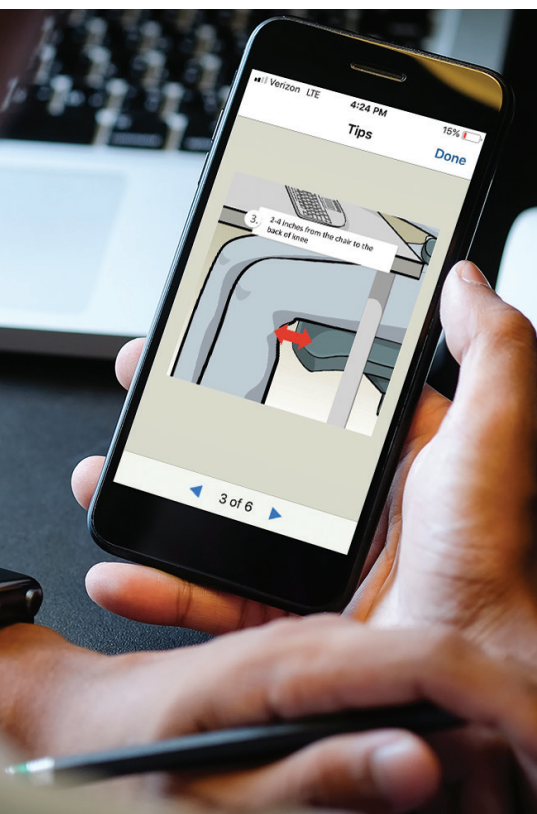

- The self-assessment helps set up a comfortable work area.
- The mobile survey provides tips to improve the safety in your work area.
- Safety suggestions generated from your responses.
- Illustrated guides make it quick and easy to complete.
- You will receive a customized report with findings and suggestions.
- Reports can help remote Loss Control personnel assist you, if needed.

Logging On—it's easy!

Download the SBN Ergonomics App.

A BHHC Loss Control Specialist will contact you to help you get started.

Conducting the Self-Assessment

- 1 Select the "Evaluation" tab
- 2 Type your name in "Operator's Name" space
- 3 Press "near No Location Selection"
- 4 Select location "Self-Assessment WFH"
- 5 Open the Template
- 6 Search the word "Home" in the Template Library
- 7 Select "Self-Assessment Working from Home"
- 8 Complete all the questions
- 9 You will receive your report from MobileErgo@bhhc.com

By making loss control visit(s), evaluations and/ or recommendations, or providing safety materials, Berkshire Hathaway Homestate Companies and this Consultant have not and do not undertake or assume any duty to you or anyone else, including but not limited to: A) Identifying or reporting upon any hazard at your premises; B) Managing, controlling, or correcting any hazard; or C) Enforcing compliance with any local, state, or federal safety or health law. Our recommendations or safety materials may not address every possible loss potential, code violation, or exception to neither good practice nor will compliance with any submitted recommendations guarantee the fulfillment of your obligations as required by any local, state, or federal laws. Loss Control is your management's daily responsibility. You are urged to implement and maintain your safety and health management programs.

Please contact the Loss Control team at:
losscontrol@bhhc.com for any further questions.
